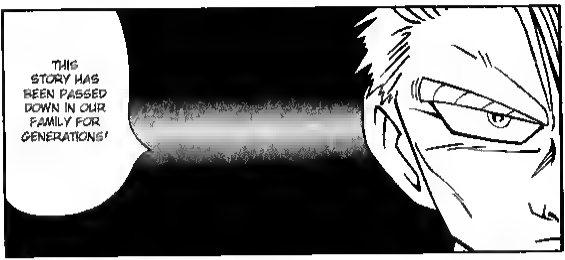
LISTEN TO THIS SHINTARO IT'S A GOOD OPPORTUNITY FOR YOU TO LEARN SOME-THING
VERY WELL THEN, I'LL EXPLAIN

BY THE WAY, OTOUSAMA, WHAT IS THIS HISEKI THING?



THIS STORY HAS BEEN PASSED DOWN IN OUR FAMILY FOR GENERATIONS!

A long, long time ago in a large, mysterious, island resided an ancient, holy power.

By controlling a pair of red and blue orbs the people of the island were able to use this power and live a happy and prosperous life.

One day, a dispute between the clans caused the people of the blue orb to leave the island. They took their orb with them and thus, the ability to use it's holy power was lost forever.

But it is said that whoever manages to acquire both orbs and brings them together once more will gain the power to become the supreme overlord, free to reign over the entire world.

T/N: Book title: 'The Correct Way To Conquer the World'

AND SO IT WAS I WHO INHERITED THAT VERY SAME BLUE ORB!

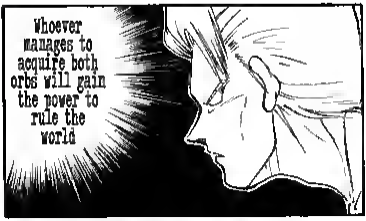
Osaka-kun & Tama-chan
(Babysitter Spotted Frog)

When his wife ran away, Osaka-kun took up the task of raising his only daughter, Tama-chan, all by himself. His name is very similar to my editor-in-chief's but that's all there is to it.



Whoever manages to acquire both orbs will gain the power to rule the world
